

CLASS OF 1990

A Great Start To...

A NEW BEGINNING...

CLASS

OF 1990

HOLDING A MOMENT

TIME GOES SO SLOWLY, AND YET SO FAST;
HOURS ARE LONG, BUT DAYS DON'T LAST.
TO DO IT ALL AGAIN, MAYBE WE WOULD;
BUT ONCE CHANCE HAS PASSED, IT'S GONE FOR GOOD.
TOGETHER WE HAVE BEEN THROUGH OH, SO MUCH,
BUT NOW IT'S "HAVE A GOOD LIFE, PLEASE KEEP IN TOUCH!"
I ASK YOU TO REMEMBER ME AS YOU LOOK THROUGH THIS BOOK;
HOW WE LAUGHED, AND CRIED, AND USED TO LOOK.
IF EVER YOU FEEL LONELY FOR JUST A LITTLE WHILE,
LOOK AT MY PICTURE; I'LL GIVE YOU MY SMILE.
SO NOW WE PART, THERE'S NO QUESTION OF WHY;
LET'S HOLD THIS MOMENT,
AND THEN,

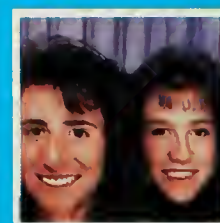

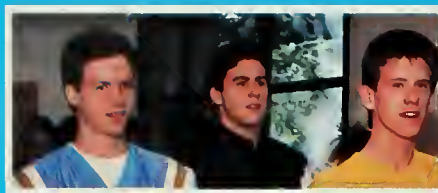

SAY GOODBYE . . .

MEMORIES: Meeting AFS students in East Bridgewater

Lucila is an exchange student from Brazil who is participating in the OPEN DOOR program.

OPEN DOOR is a not-for-profit, international exchange organization which has provided intercultural learning opportunities for high school students and their families since its founding in 1963. Over 15,000 short and long term exchanges have contributed to lifelong international friendships while broadening intellectual horizons for students, families and schools. In the United States, OPEN DOOR exchanges have touched and enriched the educational life of more than 1,200 schools.

Four years ago, when we were freshmen entering the high school, Mr. Romaniacki volunteered to be our advisor. At that time we anticipated spending the next four years together — planning dances, doing fund raisers, participating in activities that make high school years so special.

Our senior year, Mr. Romaniacki left East Bridgewater High School for new adventures in another field. We, the Class of 1990, want him to know that as we leave this school, we will be better able to handle our own new adventures because of the time he spent with us. We thank him for his dedication to our class, his constant support, and his encouragement.

JIM BRADY

Hast thou not known? Hast thou not heard, that the everlasting Creator of the ends of the earth, fainteth not, neither is he weary? There is no searching for his understanding.

He giveth power to the faint; and to them that have no might he increaseth strength.

Even the youths shall faint and be weary, and the young men shall utterly fall:

But they that wait . . . shall renew their strength; they shall mount up with the wings as eagles; they shall run, and not be weary; and they shall walk, and not faint . . .

The year 1990 marks the 30th printing of an East Bridgewater High School yearbook. Yearbooks are history books; histories of a part of the lives of each class. The history of the Class of 1990 has been an illustrious one. It has been marked by many significant activities and the achievements of its members. Yearbooks are also books of promise and potential for the future. You, the Class of 1990, have already made a commitment to this future by your recognition of the needs of our society through your support of the Pine Street Inn. Accept this example of your commitment to others as one of the many challenges to your promise and potential that you will work to resolve. Accept this and all of the challenges that life will bring to you with the spirit, commitment and leadership that you have shown as the Class of 1990 at East Bridgewater High School. If you will continue that commitment to others and accept that challenge, then the significance of the Class of 1990 has only just begun and this yearbook heralds that beginning.

Diane L. Lande
Assistant Principal

"Observe constantly that all things take place by change, and accustom thyself to consider that the nature of the Universe loves nothing so much as to change the things which are, and to make new things like them." Marcus Aurelius: Meditations IV

Graduation from High School marks the beginning of many changes in your lives: changes in jobs, in friendships, in careers, in schooling, and more. You may begin one job or career path, and find yourself moving in a totally different direction a number of years later. You may decide to attend one school, or be determined never to set foot in a school again, and find yourself diligently studying in an unexpected place a few years later. A productive and satisfying life evolves through many stages. Be an active agent of change in your personal lives and the world at large. Our high school's greatest aim is to prepare you for all the vicissitudes of life; to enable you to adapt, to seize opportunities, to question, and to gather the knowledge and resources necessary to lead satisfying and contributing lives in an ever-changing world.

George F. Kelly
Administrative Assistant

You, the Class of 1990, will be beginning a new life in a new decade. Your choices of career, school and/or service will give you many opportunities to experience new things on your road to success. Keep in mind that happiness and success go hand in hand, and one way to achieve both is to follow this proverbial advice:

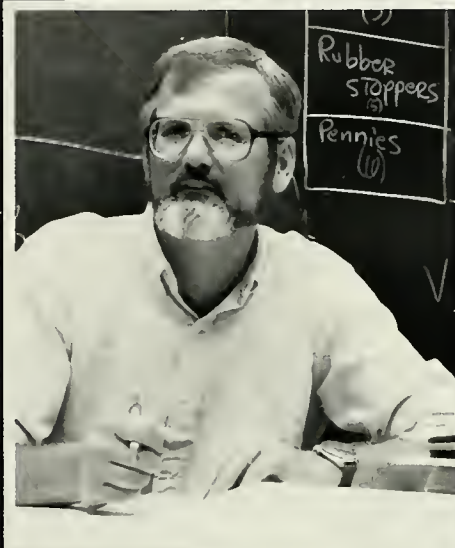

*"Do all the good you can,
By all the means you can,
In all the ways you can,
At all the times you can,
To all the people you can,
As long as ever you can."*

ALL I EVER REALLY NEEDED TO KNOW I LEARNED IN KINDERGARTEN

by Robert Fulghum
Reprinted from the *Kansas City Times*.
Sept. 17, 1986

Most of what I really need to know about how to live, and what to do, and how to be, I learned in kindergarten. Wisdom was not at the top of the graduate school mountain, but there in the sandbox at nursery school.

These are the things I learned: Share everything. Play fair. Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Wash your hands before you eat. Flush. Warm cookies and cold milk are good for you. Live a balanced life. Learn some and think some and draw and paint and sing and dance and play and work every day some.

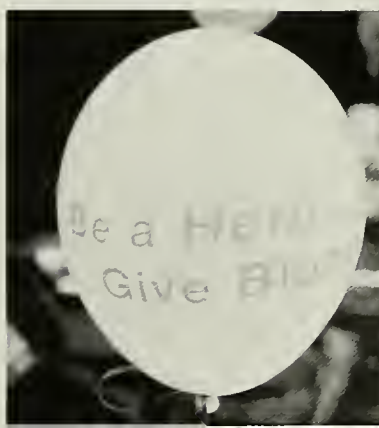

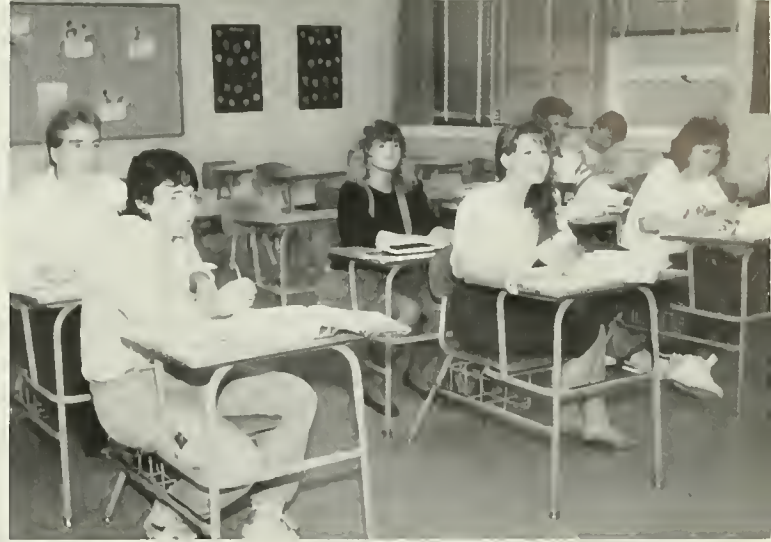

Take a nap every afternoon. When you go out into the world, watch for traffic, hold hands and stick together. Be aware of wonder. Remember the little seed in the plastic cup. The roots go down and the plant goes up and nobody really knows how or why, but we are all like that.

Goldfish and hamsters and white mice and even the little seed in the plastic cup — they all die. So do we.

And then remember the book about Dick and Jane and the first word you learned, the biggest word of all: LOOK. Everything you need to know is in there somewhere. The Golden Rule and love and basic sanitation. Ecology and politics and sane living.

Think of what a better world it would be if we all — the whole world — had cookies and milk about 3 o'clock every afternoon and then lay down with our blankets for a nap. Or if we had a basic policy in our nation and other nations to always put things back where we found them and cleaned up our own messes. And it is still true, no matter how old you are, when you go out into the world, it is best to hold hands and stick together.

TORCH STAFF

Eight score and twenty days ago, Mr. Paone brought forth in East Bridgewater High School, a new yearbook staff dedicated to the task of producing the 1990 yearbook. Now we are engaged in a great creative work, testing whether this staff, or any staff so conceived and so dedicated can long endure. We have met in the great AV room. We have come to dedicate a portion of this yearbook, as a token of our appreciation for those who here gave their time, that the 1990 yearbook might be published. It is altogether fitting and proper that we do this.

The world will little note, nor long remember what we say here but it can never forget what Mr. Paone, Mrs. Russell and the Torch Staff did here. And we here highly resolve that these workers shall not have struggled in vain, but this yearbook under the leadership of Mr. Paone shall not perish from the earth.

"You can't get there from here."

"You'll be sorry." "Never happen."

"Why bother?" "Be cool."

"Play it safe." "It'll never work."

"Leave well enough alone."

Conventional wisdom. Sometimes, it seems, all that is heard is a discouraging word.

But as a high school graduate, you have some unconventional opportunities coming up.

Why not shoot for the moon?

The people of The Foxboro Company hope you make it.
